

# Christmas card competition 2021

# The Rules

- On an A5 piece of paper, design a card which is colourful, exciting and represents the Christmas Season/ Winter Season.
- The art work you produce must not be collaged but paints, felt tips and pencils can be used.
- DO NOT BEND the card. You can write a message on the front, but be careful to ensure that the writing is neat and spelt correctly. Perhaps print the writing on a computer and trace it on, or **don't write anything at all.**

Merry Christmas

Merry  
Christmas
