Two and Two

# OSMA HARVILAHTI

Africa

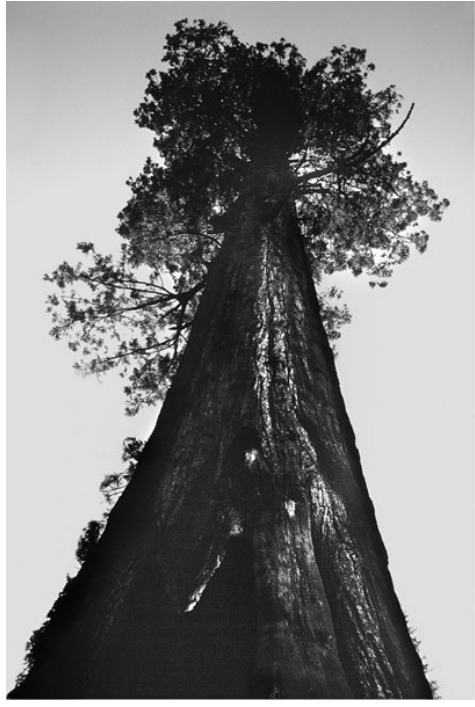

## NARRATIVE

Tell a story with different shots,  
look at before and after

## CONNECT

Find similarities in shape/tone with  
different things

## VIEWPOINTS

Shoot the same thing from  
different angles/zooms

## COMAPRE/CONTRAST

Look for opposite pairs of similar  
things

# PIXLR®

## PIXLR

Both a free phone app and a website – you can edit your photos in a variety of split frames

# befunky

## BEFUNKY

Both a free phone app and a website – you can edit your photos in a variety of split frames

# H

## HALFRAME

Not free (99p) but allows you to shoot your 2 photos together and will add retro film filters to achieve different effects

## KODAK EKTAR

Or you could try out a film camera - £50 on Amazon...? (this one takes 2 side by side photos)

A screenshot of the Amazon UK product page for the Kodak Ektar H35 Half Frame Film Camera. The page shows the product image, price (£40.79), and various details like brand, color, and features. The price is highlighted in red. The page also shows a star rating of 4.3 and a note that only 1 unit is left in stock.

# What we want

- 2-6 well chosen DIPTYCH photos (photos that are deliberately taken/presented closely side by side and are meant to be seen as a pair) with artist names and a short explanation/justification of what interests you about each one

THEN EITHER:

- A minimum of 4 pairs of photos exploring ONE of the themes from slide 4

OR

- A minimum of 1 pair of photos exploring EACH of the themes from slide 4

PLUS

- An analysis of your best/favourite pair of photos explain why

## SKETCHBOOK

Buy or make a sketchbook (any size/format is OK) and print/present your work in it – please make sure you are able to bring it to school

## DIGITAL

Use PowerPoint/Google Slides to present your work – make sure it is saved to a memory stick or cloud based storage you can access at school.
