Monitor the personal appearance, uniform and behaviour of your students and ensure that high standards are maintained.

5. Student planners/diaries

Check and initial Student Planners/Diaries regularly and discuss their contents with students.

6. Tutor group time

This time should be used purposefully and profitably. The periods may be used for a variety of purposes including the above points and in addition: individual discussions, target-setting, appropriate activities as per flow of the year, group discussions around the suggested themes, appropriate advice and guidance.

7. Assemblies

Attend assemblies with your Form, sit with your Form and supervise their movement from base to the place of assembly.

8. Pastoral team meetings

In accordance with the calendar, attend meetings chaired by the Head of Year.

9. Relations with parents/carers

It is hoped that parents/carers would see Form Tutors at Parents' Evenings, Target Setting Day, and, whenever possible, Form Tutors will be involved when parents/carers visit the school at other times. SUPPORT PROGRAMME FOR NEW STAFF

Staff Welfare

Promoting staff wellbeing is considered highly important at Myton; the school has a very proactive Wellbeing group that is involved in ensuring the welfare of staff through activities such as Well Being events, providing “breads and spreads” in the Staff Room, offering Flu- vaccinations on site and liaising with the senior leadership team on matters such as the school calendar to ensure workload is managed.

There is also a team of trained staff listeners, who can be available at a mutually convenient time, to have non-judgmental and supportive conversations on a one to one basis to support colleagues.

We also subscribe to Westfield Health providing staff with free information, support and advice, including telephone or face to face counselling.

Mentors and Buddies

All new staff will be ‘buddied’ with a friendly face in school. This person will be a carefully selected volunteer who will have your interests at heart. They will be a point of contact within your department or area in school and will be able to take you through some of the school systems and procedures on a one-to-one basis. They will also ensure that you are able to access the right training and people to ensure your induction is completed.

Early Career Teachers (ECTs):

You will have access to professional dedicated support throughout your first two years of teaching through the ECF. The school and our approving body (Warwickshire LA) have drawn up a detailed policy outlining your entitlement and have ensured that procedures exist at all levels to provide appropriate and effective support where and when needed.

ECTs will have an ECT Mentor to guide them through the programme of professional development through the two years and department buddies and subject specialists will provide subject support in their areas of specialism. Our Induction Tutor will also work closely with your Subject Mentor to ensure you are receiving the support you require.

They will discuss your training needs with you regularly with dedicated weekly support with regular drop-in/surgery slots for discussion and support with aspects of teaching and learning, for example marking and feedback. Additional peer support sessions in school will aim to provide additional guidance/support to complete your weekly training activities as part of the ECF as you progress through the ECT programme. You will receive regular feedback through observations of your classroom teaching and learning walks to facilitate development of your pedagogy and professional practices, both through department and mentor guidance. As part of the assessment process, required by the Warwickshire LA, a statutory online report to the Local Authority is managed by the work of the Induction Tutor at the end of each term.

Training, support and assessment

Your Induction training will include the important basics including Safeguarding and Child Protection, Health and Safety, Data Protection and if appropriate, relevant software. In addition, there is a comprehensive annual programme of Twilight training sessions and all staff are invited to participate in any whole school training activities that they feel are appropriate to their needs.

All staff participate in an annual review process which provides an opportunity for an in-depth discussion with the line manager to agree work objectives and areas for future support as well as appropriate training and development.

The school is committed to providing the best possible professional support for **all newly appointed colleagues** Including regular monitoring, feedback and support.
